Vidyasagar Dadilwar

RCOEM'26 —Computer Science,Competitive Programming,Web Development

9420672384   d.vidyasagarn@gmail.com Nagpur,India
Vidyasagar Dadilwar Vidyasagar-Dadilwar

Profile

Highly motivated and deeply passionate about both competitive programming and web development. With a robust grasp of algorithms, data structures, and problem-solving, alongside hands-on experience in crafting dynamic and intuitive web applications, I am eager to harness my expertise in both domains to drive innovation and collaborate seamlessly with teams in achieving organizational goals
